Please fill out the following charts with your UC GPA values. AP courses and CC transfer courses have no UC GPA value—please mark “X” in the grade box and “0” in the grade points box. For legal repeats, in the grade box mark “R” and then identify the best of the two grades (ex: R = A-), using the best grade for grade points. For current enrollments, mark “WIP” (Work in Progress) and leave the grade points box empty or mark “0”. The calculation boxes below will help you identify the grade points needed.

Pre-Major Rules:
- 2.7 UC GPA in Area I / 2.0 UC GPA in Area II
- Must be letter grade (P/NP not accepted)
- No grade lower than C- (no more than one C-)
- Must be completed before 144 units

MEMO OF UNDERSTANDING FOR DOUBLE MAJORS

In petitioning for a double major in Biopsych and Communication, I accept responsibility for completion of all courses required for both majors and all other degree requirements.

I understand the following:

♦ If I complete two majors with the same degree objective within the College of Letters and Science (e.g., both majors leading to a B.A. or both leading to a B.S.), I will receive a diploma that specifies the two majors, but I will earn just one degree.

♦ If I complete a double major with two different degree objectives, I must satisfy the General Education (GE) Program requirements of both, although I may overlap where appropriate. In particular, if I am pursuing a BA for one major, I must fulfill the GE requirements for the BA, which automatically fulfill those for the BS or BFA or BM.

♦ I may not graduate with one major and later return to complete the other. Instead, I must complete requirements for both majors by the end of the quarter of my degree candidacy. Further, to graduate with one major alone, I must formally drop the one that is not yet complete, and I will not later be readmitted to complete a second degree in the major I have dropped.

♦ No more than 8 units may be applied simultaneously toward upper-division requirements for both majors.

♦ Substitution of any course not listed on the major requirement sheet are acceptable only if approved by both the major department and the Dean of Undergraduate Studies.

I have completed the worksheet on the opposite side of this form*, and following this evaluation:

I expect to complete all degree requirements by the end of the Spring 2023 Quarter Year at which time I will have completed a total of 200 units (from UCSB and all accepted transfer work).

Finally, I understand that except in very unusual circumstances, enrollment beyond the final term noted above will not be permitted.

Signature Alex Gaucho Date 10/31/21

*If neither major leads to a BA degree, please carefully read the General Education Program brochure or consult an academic advisor to adjust their GE requirements on the sheet.

THE DECISION OF THE DEAN WILL BE SENT TO YOU VIA YOUR UMAIL.

College staff will review your estimate to determine whether it is roughly accurate. This review does NOT constitute a progress check, and thus approval of your request will not guarantee your graduation in the quarter you indicate.
