

# Psychological & Brain Sciences BS

## 4-Year Plan

- The PBS major can be paired with minors and double majors. We encourage PBS majors to also look into gaining research experiences and our PBS Honors Program.

- Note that the PBS *major* requirements, on their own, will not satisfy all degree requirements.

Year 1: Course selection will vary depending on **AP credit**. Start **GEs**.

Year 2: Consider starting a **double major** with the extra spaces in your schedule.

Year 3: Consider **UCEAP** and/or start applying for **research assistant** positions and/or **PSY honors**.

Year 4: Run a **degree audit** to make sure you are on track for graduation!
