

Grading Policy For PSY 99 And PSY 199 Enrollment

July 2013

All first quarter Psy 99 and Psy 199 must be graded P/NP, even if they elect or are required to write a research paper. Students who choose the letter grade option for Psy 99 or 199 on GOLD in violation of their departmental contract will receive an F for the class. Students who have completed one quarter of Psy 99P or Psy 199P may receive letter grades for further quarters of enrollment provided they write a research paper, a copy of which is to be submitted to the Undergraduate Advising Office before grades are due. If students enrolled in subsequent quarters of Psy 99 or Psy 199 elect letter grading but fail to submit a research paper, they will receive a C in the class.
