

# TRANSFER PLANNING GUIDE: Biopsychology B.S.

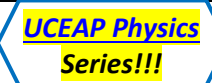

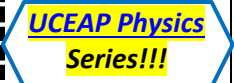

This plan assumes that full *General Chemistry* and *General Biology* series were completed prior to transfer and that *Organic Chemistry* and *Physics* series will be taken at UCSB (prepares for MCAT after graduation).

April '19

**Note:** Students who have completed Organic Chemistry and Physics will be on track to take MCAT in 4<sup>th</sup> year. Substitute Organic Chemistry and Physics courses with potential double major/minor courses.
